INSPECTION, we know how **important** it is to you!

100% of Tahoe products are woven at our facility in **the USA**, using domestically sourced yarns that are all double-sourced to guarantee you **uninterrupted, reliable service**. All finishing is completed

at the Tahoe facility ensuring the final inspection is done in house, instead of by a third party. Keeping everything in a controlled environment helps us ensure our final product will meet or **exceed your expectations**. Tahoe LLC will continue to prove to be the reliable, credible choice during this time of unusual instability and beyond. This is not smoke and mirrors, this is real expertise and **proven industry strength**.

This weeks highlighted fabric is Tuscany, **Tomato** & Tuscany, **Sunflower**.
